About Hard Rock Cafe London

The first Hard Rock Cafe opened its doors on June 14 1971 in London. Originally decorated as an American diner, this all changed thanks to Eric Clapton. A regular, Eric asked to hang his guitar above his favourite spot at the bar and this was followed by Pete Townsend. 42 years later and Hard Rock has the largest, most valued music memorabilia collection in the world. Dine on the best burgers in town, listen to the most rocking music ever, visit The Vault (London's iconic rock 'n' roll museum) and shop at the Rock Shop for your Hard Rock souvenir. Rock on down!
