All tickets include admission to Ripley's London plus entry into the London Bridge Experience and Tombs, which you can visit any time up to 7 days after your visit to Ripley's.

### About the London Bridge Experience and Tombs

Become part of London's gruesome history and uncover the dark secrets that lie beneath the world's most famous and haunted bridge. Laugh, scream and cheer your way through 2000 years of history. You will SEE, HEAR and even SMELL what London Bridge was like throughout the ages.

Come face to face with Queen Boudica's Iceni tribe and join them as they take on the Roman army, be regaled by tales of terror at The Star Inn on Fish Lane as Jack The Ripper and Ben Crouch lurk in the lanes searching for the next victim and meet The Keeper of The Heads as he takes his latest victim to task before despatching the body parts to the four corners of the country.

Experience medieval life first hand as you pass through the Chapel of Thomas Becket and onto the shop lined streets of London Bridge as the Great Fire of London takes hold and sweeps the city.

After taking all of this in you will enter the vortex and be taken back to the multi award winning present day hell, more commonly known as The London Tombs. The London Tombs is a scare attraction built in the remains of a former plague pit.
